Summary

As a sophomore student pursuing Computer Science at VIT Chennai Campus, I am dedicated to academic excellence and eager to contribute my skills and passion to web development and advancements in AI and ML. I am committed to continuous learning, thrive in collaborative environments, and possess effective communication and problem-solving skills. As an active member of HackClub, I am developing leadership abilities and a keen sense of community engagement. I am actively seeking opportunities to further enhance my skills and make meaningful contributions.
